

# ADULT EDUCATION PROGRAMS

## Nature Journaling

Virtual

**Nature Journaling** - Take a minute to stop and observe your surroundings! This program will inspire you to get in touch with the environment in your own backyards through the art & science of nature journaling. This program includes an animal encounter with local animals here at Nauticus! Bring your notebooks and your favorite drawing supplies!

*Science, Environmental, Art, Journaling, Chesapeake Bay*

## Climate Science Made Simple

Virtual

**Climate Science Made Simple** - Our climate is constantly changing. Through interactive experiments on thermal expansion, glacial melting, ocean acidification, and more. you will gain a better understanding of the causes and effects of sea level rise and what you can do to help!

*Science, Environmental, Climate Change*

## Talking Trash

Virtual

**Talking Trash** - Learn about how the Battleship Wisconsin has taken steps to reduce their environmental impact from WW2 to present day! We'll explore the different ways we clean the Chesapeake Bay and steps we can take at home to help reduce our use of single use plastics! We will make a beneficial item to replace a single use plastic!

*Military, Environmental, Maritime*

## Nature Journaling

## Cooking for the Crew

**Cooking for the Crew** - Put your skills to the test as you navigate the trials and tribulations of being a WW2 cook in the Navy. We will learn about life during the 1940s, social issues, and more by discussing the skilled Navy cooks that served aboard the Battleship Wisconsin and across the US Navy! Everyone will walk away with their own WW2 recipe!

*History, Military History, Cooking, WW2, Civil Rights, African American History*

## Climate Science Made Simple

**Climate Science Made Simple** - Our climate is constantly changing. Through interactive experiments on thermal expansion, glacial melting, ocean acidification, and more. you will gain a better understanding of the causes and effects of sea level rise and what you can do to help!

*Science, Environmental, Climate Change*

## Halsey's Typhoon

**Halsey's Typhoon** - Typhoon Cobra is a storm that changed warfare during WW2! Learn all about how the Battleship Wisconsin weathered the storm and how this historic weather event changed the way the US Navy operated forever!

*Military History, History, Science, WW2*

## Women of the WisKy

**Women of the WisKy** - Although no women ever served on board the Battleship Wisconsin, they were instrumental in the building process during WW2. We will explore the lives of the women who worked at the Philadelphia and Norfolk Naval Shipyards.

*Military History, History, Science, WW2, Women's History*

## Talking Trash
