## Discover more!

Berthed at Nauticus, the Battleship *Wisconsin* is one of the largest and last battleships ever built by the United States Navy. Admission to Nauticus includes a self-guided tour of the Battleship. Experience more by adding a guided tour to your visit or book an overnight!

### Guided Tours:

Step into the twentieth century with our historical experts as they take you into interpreted spaces not open to the general public.

Scan to learn more Battleship history:

### Available tours include:

**Command & Control** – Learn how the Battleship was commanded and would fight in the control areas of the ship including the Captain's Cabin, Pilot House, and Combat Engagement Center.

**Life in the Engine Room** – Venture seven “decks” (floors) down into the depths of Battleship *Wisconsin*, where you'll learn exactly what was required to power this massive City at Sea.

**VIP Battleship Experience** – Join us for an exclusive guided experience hosted by our Battleship Operations Manager (& Desert Shield/Desert Storm Veteran of the *Wisconsin*), Keith Nitka, as he takes you on an in-depth exploration of the *Wisconsin* touring spaces not accessible on any other tour.
